EWELL PRIVATE RESIDENTS

EXPLANATION.

It may sometimes happen that a user of this Directory knows the address of a certain person, but does not know exactly where the street in which that person lives is situated. In such a case reference should be made to the Ewell Street Directory. Thus, anyone knowing that George Abbott lives at 12 Cherry way can, by turning to the Ewell Street Directory, page 349, find from it that Cherry way runs from 242 Poole road to Shawford road.

For the name of any person engaged in any trade or profession, see the "Commercial Directory," which follows this list.
